# Allianz offers a suitable solution for companies and their foreign employees

## APKV....

- § Offers companies a health insurance for their „Impatriates“, with an employer’s contribution
- § Confirms a group health insurance with the company
- § Is compliant with social security and BAFIN regulation in Germany

## Allianz Care...

- § Takes over the correspondence with the client
- § Offers a multilingual digital service with the „My HealthApp“
- § Takes over the benefit regulation abroad

## The suitable solution for the company...

### → An attractive health insurance for foreign employees

- § Employer ineligible rate for „Impatriates“ & their dependants
- § Compulsory group contract from 10 employees on<sup>1</sup>

### → Easy and uniform concept

- § Group insurance business between APKV and company
- § Acceptance of all employees with MHD

## ... and for its employees

### 👍 Easy completion

- § No health declaration/ medical underwriting
- § Same conditions for dependants

### 📈 High-performing service

- § Top benefits in a complete package
- § No deductibles
- § Multilingual service over Allianz Care

### 👏 Appealing monthly premiums

- § Plan without old age reserve
- § Eligible for employer’s allowance!

The InboundMed Best 100 plan is specially for corporate clients.
